# Trinity United Parish

The mission of Trinity United Parish is to be a loving community of faith. Our faith in Jesus Christ is expressed through learning, growing and caring together.

## From Pastor Jim

People populating Endeavor  
Are most unusually clever.  
They give answers fast  
To questions not asked;  
But to question them – well, you never.

The limerick above was part of a collection of limericks written by Rev. Ray Bayley, in a collection of Wisconsin geographical limericks.

Ray died a few years ago, after an active life as a pastor, promoter of abstinence from alcohol, and person of wit.

I once bought from him a package of little tiny notepads, which had printed on them: "Notepad for people with small minds." I thought it was clever, but I eventually threw them away, because, well, who do you give them to?

Ray once ran for the state assembly as a Republican. I have a matchbook with his picture on it and the caption, "Concerned? Ray Bayley for Assembly."

Ray was concerned. He lived his life trying to make the world better. He had his own style, which I would never try to imitate. But I do want to imitate his concern for the world, his love for his spouse, his commitment to the church and his love for life.

May each of us bring our own style, our own enthusiasm to living our life fully as followers of Christ.

Jim

## BOLIVIA

The visit of Bishop Medardo Vedia and Brother Froilán Quisbert to the Annual Conference of the United Methodist Church in Wisconsin was profoundly meaningful and fruitful. This experience has provided an invaluable opportunity to strengthen the collaboration between the Wisconsin Conference and the Evangelical Methodist Church of Bolivia, as well as to share our experiences and aspirations. We wish to express our sincere gratitude to all those who made this visit possible, from Bishop Hee Soo-Jung and his team to every church and community that warmly welcomed our Bolivian brothers. Their generosity and commitment to our mission have been truly inspiring. We deeply appreciate the hospitality received and the ongoing support that strengthens our work in Bolivia. This visit has not only reinforced our bonds but also opened new opportunities for future collaboration. We look forward to continuing our work together and thank everyone who contributed to the success of this visit. May God continue to guide and bless our joint initiatives.

This month you will see a few copies of a church directory. Please review the information and let us know of any corrections we need to make. We haven't published a directory in a while, so there are bound to be updates. Please let us know in the church office so we can make the needed changes. Call 608-981-2500 or email [tuparish@gmail.com](mailto:tuparish@gmail.com). Jim

The church councils have reviewed a Document by Pastor Jim and Jayme Roller titled, **"Four Big Ideas for Building Relationships in Our Community."** The document is an invitation to allow the Holy Spirit to help us dream and take action. Copies of the document are available to you at church. We invite you to read this document and pray about how we as churches can reach out beyond our walls and make relationships with others in the community!

Thanks for all the appreciation in Pastor Appreciation Month! I was moved by the cards and gifts. I appreciate you, too.

Many of you have said that you're grateful I came out of retirement to serve you. One of the main reasons I came out of retirement is that I am grateful for all the United Methodist Church has done for me over the years. I have received so many blessings from United Methodists in many congregations.

So, really, when you say thank you to me, you are also saying thank you to Clifford & Adelaide Lau and Bob & Nancy Wendt, and Charlie Lieder, Marge Butler, Dave Lyford, Frank Gaylord and a host of others. The blessings just keep being spread around.

Jim

## *Relaxation Camp*

## *Pine Lake Outing*

Our Church Chix had an amazing time at Pine Lake UMC camp. We did a prayer meditation exercise at the Prayer Labyrinth they have set up in the woods, then we enjoyed some time in nature singing hymns. We concluded the fun day with lunch at the Pioneer.

# Confirmation Retreat

# Harvest Supper ... a great success!

## RUBYS PANTRY

## October church chix's Breakfast
